CERTIFIED COMPANY**

**ASTM, EN124, DIN,
BS AND AS COMPLIANT**

**INSTALLED CAPACITY OF
24,000 MT PER YEAR**

Established in 1977, Super Iron Foundry is one of the oldest manufacturers of municipal castings in India.

We are an ISO 9001:2008 certified company by DNV. We are also a Star Export House recognized by the Government of India.

Our products made from Cast Iron, Ductile Iron and Fabricated Steel, are in great demand in waterworks and municipal works. SIF products are recognized and widely accepted worldwide. Our presence in the global market of municipal products for over 3 decades has given us a strong customer base in the USA, Canada, Europe, Australia and the Middle East.

We manufacture according to all international standards viz. ASTM, EN124, DIN, BS and AS. We have an installed capacity of 24,000 MT per year.

Our product range includes – Manhole Covers and Frame, Manhole Extension Rings, Catch Basin Frame and Grates, Step Iron, Water Meter Boxes, Valve Boxes, Service Boxes, Surface Boxes, Curb Boxes. Bollards, Counterweights, Agricultural Castings, Industrial Castings, Tree Grates, Ornamental Castings and Fabricated Steel products.
